- UPON TERMINATION ECLC SERVICE THE CONTROL/MONITOR FUNCTION AT LORMONSTA EGLIN FOR THAT CHAIN WILL BE ELIMINATED. OUR INTENT IS TO DISESTABLISH THIS SITE IF THE UNMANNED MONITOR SITES AT MAYPORT AND NEW ORLEANS CAN PROVIDE DATA ACCEPTABLE FOR CONTROL OF BOTH THE SEUS CHAIN AND THE DANA-MALONE BASELINE OF THE GREAT LAKES CHAIN {GLC}.
- WE UNDERSTAND YOUR DATA COLLECTION AT THE MONITOR SITES INDICATES THAT LORMONSTA EGLIN CANNOT BE DISESTABLISHED WITHOUT A REPLACEMENT MONITOR SITE TO SUPPLEMENT THE MAYPORT AND NEW ORLEANS DATA.
- REQUEST YOUR EVALUATION RESULTS AND RECOMMENDATIONS.
