3262/FUCHU

From: Commandant, U.S. Coast Guard  
 To : Commander, U.S. Naval Oceanographic Office

Subj: Geodetic Coordinates of USCG Loran Monitor Station Fuchu

1. The subject station has never been surveyed.
2. Fuchu Loran Monitor Station fulfills a documented DOD requirement for dissemination of radionavigation information and also supports the U.S. Naval Observatory's mission of dissemination of precise time and time interval.
3. It is requested that you survey the Loran Monitor Station at Fuchu, Japan at the earliest possible convenient opportunity and provide the U.S. Naval Observatory and this Command with your results.
