Subj: Proposed loran monitoring program

1. Reference is made to your letter, dated 6 March 1950, file can-626, C-17-C, recommending selection of Neah Bay Lifeboat Station and Yaquina Bay Lifeboat Station as sites for monitoring loran rates 2H5 and 2H4 respectively. Headquarters will approve these stations as monitoring sites subject to installation of monitoring equipment in accordance with the provisions of paragraph 2 of Aids to Navigation Memorandum No. 2-50.
2. Submit Form 2609 covering installation of monitoring equipment, including sketches and information on the proposed location of the equipment and coordinates of the loran receiving antenna. Receiver-indicators will be provided by Headquarters. Installation and antenna system costs are to be paid from District funds.
3. Advise shipping addresses for loran receiver-indicators.
