OAN 601

From: Commandant
To : Commander, First Coast Guard District (oan)
Subj: Proposed Loran Monitoring Program

1. Reference is made to your letter dated 9 March, 1950, file can-603-601, recommending selection of Scituate Lifeboat Station in lieu of Gloucester as the site for monitoring loran rate LH3. Headquarters will approve Scituate Lifeboat Station as the monitoring site subject to installation of monitoring equipment in accordance with paragraph 2 of Aids to Navigation Memorandum No. 2-50.
2. Submit Form 2609 covering installation of equipment, including sketches and information as to proposed location of the receiver-indicator and coordinates of loran receiving antenna.
3. With reference to the installation of loran monitoring equipment at Castle Hill Lifeboat Station, submit Form 2609 covering this installation, including information similar to that requested in paragraph 2, above, for Scituate Lifeboat Station.
