From: Commandant
To: Commander, Fourteenth Coast Guard District

Subj: DOOR VI; small boat dock at SW end of the island and self-bailing surfboat; approval of

Ref: (a) CCGD14 ltr (e) N19, Ser. 10170 of 19 February 1960

1. The need for a small boat dock at the southwest end of the island and a self-bailing surfboat at DOOR VI has been reconsidered. In the light of reference (a) and further studies conducted at Headquarters, the construction of the dock and the provision of a self-bailing surfboat is approved.

2. The design and construction of the small dock will be a matter of separate communication. Headquarters will provide the motor self-bailing surfboat.
