LORAN-C OPERATIONS

At 1300 Z on Saturday 2 June 1962 the East Coast LORAN-C chain will shift operations to new equipment at Cape Fear, N. C., and Jupiter Inlet, Fla., and a new slave station at Nantucket will replace the present Martha's Vineyard Station. This will complete the present construction for permanently locating these stations.

Charts and tables for the LORAN-C system are available to the users.
