PHILIPPINE Assignments

All incoming personnel for assignment to Senior Coast Guard Officer, Philippines, Loran-A Technical Assistance Detail, Manila or Merchant Marine Detail, Manila shall report to the Commanding Officer, Coast Guard Loran-A Technical Assistance Detail, Manila for administrative processing.

Personnel on emergency leave will also report to Commanding Officer, Coast Guard Loran-A Technical Assistance Detail, Manila.

The office of Coast Guard Loran-A Technical Assistance Detail, Manila is located in the Seafront Compound on Roxas Boulevard in Pasay City, a suburb of Manila. Roxas Boulevard is a four lane divided street fronting Manila Bay.

Personnel arriving at Clark AB contact the Navy ATCO for transportation to Manila. Renting of Clark AB special services vehicles is acceptable. The use of "off-base" taxis and local buses should be avoided, and personnel should be directed not to use local buses or taxis after dark for transportation from Clark to Manila.

A country-wide curfew exists in the Republic of the Philippines from 0000-0400, daily. Therefore, to facilitate sponsor services, transportation via MAC should be scheduled to arrive at Clark AB during daylight hours.

Personnel arriving at Manila International Airport should call the Loran-A Technical Assistance Detail for transportation. Office hours are 0700 to 1530, weekdays; telephone 59-80-11, extensions 703, 704, 705 or 706. After working hours, call the U. S. Embassy operator at 59-80-11 and ask for the home telephone of the Coast Guard Loran-A Technical Assistance Detail representative. A taxi may be taken from Manila International Airport to the Loran-A Technical Assistance Detail office.

There are no government quarters or messing facilities available in the Manila area. Personnel reporting for duty should be financially prepared for hotel living. Reservations are not normally necessary.
