U.S. Coast Guard Section
APO, San Francisco 96528

122 JAN 1973

From: Commander, Coast Guard Section, Philippines
To: Commander, Fourteenth Coast Guard District (op)
Subj: COMPHILSEC Personnel Allowance; request for change
Ref: (a) Unit Personnel Allowance - Philippine Section
Office of 30 September 1972

1. Request reference (a) be amended to reflect a Naval Engineering (ENG 4) vice Civil Engineering (MAT 4).
2. This command does not have a Civil Engineering responsibility under the Loran Turnover Agreement. A Civil Engineer (MAT 4), as department head, is of little benefit due to the Naval Engineering technical and advisory requirements of PHILSEC. A Naval Engineer (ENG 4) would be more effective as a department head and during technical/advisory trips to the various loran stations.
3. The Civil Engineer presently assigned is due to rotate 21 August 1973. If approved, request Naval Engineer (ENG 4) as replacement.
