Philipine Loran-A

Chief of Staff

Chief, Office of Personnel

1. Enclosed is a letter dated 8 April 1975 from the Secretary of Transportation to the Secretary of Defense. In this letter it is noted that the Coast Guard will disestablish the Loran Technical Assistance Detail (LORTAD) Manila, on 30 June 1975, if funding is not provided.

2. In view of the above you are to take all steps necessary to disestablish the LORTAD Manila, as concerns the assignment of personnel. You should be alert to the possibility of cancellation of the place on short notice, and the concomitant requirement to rapidly provide for full staffing, based on direction from higher authority and/or eventual resolution of the funding issue.
