Chief, Planning and Control Staff  
Engineer-in-Chief

ECV-2  
27 February 1951

Bonavista LTS; installation of High Power equipment;  
additional land for

1. Copy of 1st District letter dated 25 January 1951, G08, which is self-explanatory, is attached. This office has requested the District to submit Form 2609 for the installation of high power at this unit.
2. Additional land adjoining the present site is required for the grounding system. It is believed this property is under the control of the Canadian Government and it is recommended that the Canadian Government be requested to make this land available for this improvement.
3. Plot plan drawing showing the entire proposed installation is inclosed.

K. K. COWART  
Engineer-in-Chief

Incl

Copy 1st District letter dated 25 January 1951, G08,  
with copy of inclosure (5), Plot Plan.
