It is with great sadness that I report the passing of Victor, Victoriano Paz Lopez, the cook at Estaca from its beginnings in 1962 until its decommissioning in January, 1978. Victor continued to work in the Air Force galley until the base was finally shut down for good in March, 1991. Victor retired to Viveiro and was a regular during his afternoon constitucionals in Viveiro over the years. Those of us who have returned during the years had run into Victor and always shared a word or two with him. He will always be remembered as a friend to every crewmember. Que descanse en paz! Adios amigo!
