1. Your action in maintaining a closed gate as outlined in reference (a) is approved, subject to final approval by the Commandant.
2. For your information, the request of this office for the acquisition of the property adjoining was disapproved. In the event this property is sold you will, on proper identification, grant permission to the purchasers to pass through Coast Guard property, on condition that the roadway only will be utilized. Failure to comply will result in the revocation of the permission.
