Served at Gesashi from February of 1969 thru June of 1970. Came from the CGC Chautauqua in Honolulu. Had a great time. Some of the people that I remember; Andy Bushard, Tim Chesser, Mike Moreau, Kenny Jones, Mike Irick, Bruce Purnell, Karl Nee, DC1 Lerza, ET1 Scott, Jack Watts and Chief Jones. Played a lot of basketball, drank a lot of beer. Boy life was pretty simple and carefree during those days.

I was stationed on Gesashi for six month in 1977 then transferred over to Iwo Jima for the second half of my six month tour. I enjoyed both places very much. Obviously Gesashi had more things to do and it was nice being able to buy cool stereo equipment and cameras from the exchange at a really good price. Fun times for sure. I retired as a Senior Chief Corpsman after 24 years. I really miss the Coast Guard and all the great people I met over the years.

Hi, when I retired, I must've dropped off of Fred's List. My name is Herb Oertli, and I was a non-rate at Gesashi from 85-86. The only person that I was stationed with who is still active duty is Captain Englebert, who was LTJG Englebert, the CO when I departed in 86. I checked Google Earth, and it looks likes the barracks have been torn down. The Loran Tower/building is still there though.
