I was stationed in Hokkaido from 1981-1982 two tours. This was a wild time and I loved it there. I can remember riding my motorcycle into Obihiro and partying all night on sake and getting pulled over for speeding and showing the cop my social security card for my license now that was funny. I loved going down to the beach and having bottle rocket wars and drinking hot sake next to a big fire. I loved it there and will never forget it. Sorry to hear about shi shi and hope Jack Sato is well. Curt McConniel MK2
