Hi, I'm looking for Pat Ruggirello who was there in early 70's. Pat I was your roomie in ET school at Governor's Island along with Bill Mount and Mac Moody. I went to Sylt and I thought you went to Libya. I'd like to touch base.

Hey there fellow TUSLOG 52 veterans, I was stationed there in 73-74, what months it's still a blurr? I had great time in Turkey, have always wanted to go back & will someday!!! I remember our 'house boys' Mehmet & Yakup our brilliant base liaison ex-Turkish officer Ali, who always took care of us when going into Istanbul. Remember our softball games vs The Army from Chorlu or was it Tekirdag we dominated! The fire hose water fight water was ice cold I have photos of that day. The Beach house where we had many parties, great tunes and we all played something, bongos, guitars & trashcans the more Tuborg & Turkish wine we drank the better we sounded. Remember Fred Gaskin ET2, Rick Converse, my main man

Terry Truitt, Bill Novobilski, Richard Delcourt (showing up with a dog when he arrived) it caught the first flight out! Darryl Gutierrez SK2 (great athlete), Cookie 'I might not be the best cook in the world but I'm best cook you've got' Remember the sailboat our CC rehabbed Lt Milo? Changing light bulbs on our 625' tower 'while still transmitting!' Cesium beam Oscillator, COLAC Timer, verifying our signal everyday with our Tektronix dual channel, delayed sweep O-scope, remember swimming in carbon-tetrachloride PM'ing the 39 XMTR. Pennington, Andy Cauthen (devastated when Jim Croce died), playing pool & movie marathons...that's all for now....

XO, Station under house arrest and off-air for the entire year I was there. Turkish Army Officer shot me in back of head while bird hunting, shot me again two weeks later. He was hauled off after that occurrence. Fortunately, it was with 12 ga. light load bird shot, during winter and I was dressed accordingly.

Was one of the 'squirrels' handling ET duties. Remember shipmates Stumpf, Pezcka, Hotaling, Mahoney, Churchill, Reedy, O'Shall, Tate, Mezzetti, Nelson, Smart, Almario, Izzo as well as captains Radford Rodgers and J.J. Powers, CWO Potter and Chief Oliver. While there, base was subject of a feature story in the 11/8/69 Stars & Stripes issue that was originally written for USAF Karamursel Air Station paper. In addition to dogs others have named, also recall Mitzi the cat and donkeys, Bonnie and Clyde. Recall Mehmet and Yakup as well as interpreter Ali and his son Hassan. Used to ship camel saddles, meerschaum and hookah pipes and prayer rugs to other Medsec stations. Played softball and football at Charlie Brown stadium. What ever happened to the relics excavated during base construction that sat by the entry road? Took and still have lots of photos of the base and the guys, many developed in base darkroom. Fondly recall the days of 'Yankee blink,' the loud alarm and running to my post in the transmitter building.

Merhaba, I served aboard from 1980 to 1981. If anyone is still reading this forum I found some YouTube videos of Karagaburun from 2006. It's really run down, but the video of the beach house brings back lots of memories. You can search under Kargaburun or Layton2000. Had a great time while I was there. Worked with some great people. If anyone wants to talk about Kargaburun, especially if you were there before or after me, I'd like to hear about what went on there before and after I was there.
