14 June, 1948

From: Commandant  
To: Commander, 14th Coast Guard District  
Subj: CGLES, Kauai; authority to disestablish

1. Authority is granted to disestablish the Kauai Loran Monitor Station as requested in Comdr. 14th Coast Guard District (dcs) letter dated 7 June, 1948, file 601-626.

2. Headquarters has not abandoned the idea of monitoring loran signals and, as additional personnel and funds become available for this service, it is proposed to again monitor loran rates by installation of monitoring equipment at existing Coast Guard activities. In this connection, consideration should be given to the possibility of setting up a monitoring unit as a facility of an existing activity in the District when the proposed Kauai - Molokai - Hawaii Loran chain is in operation.
