I was stationed at CGLORMONSTA Keflavik from April 1966to April 1967. I enjoyed the siteseeing trips and occasionaltrips into Reykavik. Lt. Harbison was the CO, Ron Williams theXO, myself and Jim Curtis were the first RM's to be stationedthere. We spent a lot of time at the EM club and the animallocker. Jake Hoffman , Larry Otis, Jerry Dietz went out quitea bit. We flew up to Sandur once and got to meet the guysthere. On watch we use to kid around with the guys overat Cape Race and St. Anthony Newfoundland. We passeda lot of jokes back and forth on the tty. Dave Danks thenRM2 W6LOO
