1. I understand that there have been additional discussions regarding subject planning proposal and the revision thereto, and that as a result the target date for closure of MONSTA SARDINIA has been changed to 1 Oct 1978. I concur with this change and request a FY-79 RCP in lieu of the FY-78 OPSTAGE RCP requested in reference (a). Please submit this RCP as soon as possible in order that it may form a part of the FY-79 OE budget request.
