I was the second CO at Shetlands from 70-72. Challenging times but a great crew. Like many, I consider that one of my best duty stations. Those volleyball games were rough. Sure loved the curbing Coutts built.

I was also aboard LORMONSTA Shetland 1969-70. I remember parties with Bertie Balfour and family. I lived (off station) just up the land from the Balfours. We rented from John and Maggie Brown. John's right, the people of Shetland, as well as our shipmates made it a wonderful memory. Hope to hear from others in the future. I now reside in the Macungie, PA area.

I served aboard LORMONSTA Shetland in 1969-70 and found it to be my best tour of duty ever. Fondly remembered are the Balfour family, the people of Shetland, and my shipmates.

Some of the best days of my life were spent here from 1/71 to 2/72. Even with all the changes since being stationed there some 36 years ago, Shetland is still the same magical place as I remembered it during my last visit in 2002. I can't wait to return again for another visit.

ET3 there from 1981 to 1983. So many memories from there, I still love Shetland and will for the rest of my days. I remember watching the old NFL highlight reels with Chris Cerles. Numerous darts with Nercesian, McMahon, Cerles, Hanafee and many more I am sure I have forgot. The one time the generator failed on my watch during the Ames'es wedding. And brewing beer in the barracks...
