I was at Naulo Pt. late 1966 and most of 1967. Rented the yellow nipa hut just outside the gate. The off base parties were usually at our place. Philippine Capt. Joe Molina would take us for a plane ride on our birthdays, in his Cessna. Friday night movies on base. I enjoyed my year there.

I was at Naulo Point Loran from 12/63 to 12/64. When did you arrive at Naulo Point and who were some of the ETs when you arrived. A couple were Sky and Ford, who made E-7 while there. Phil Rouse
