and

1 November, 1946

From: Commandant
To: Commander, 12th CG District (c)
Subj: Point Arena Loran Station

1. Reference is made to your dispatch 302325 concerning subject station.
2. Authority is granted to place the permanent station at Point Arena in operation on or about 25 November, 1946. Retain the mobile unit in standby status during the first 48 hours of operation of the permanent station. Upon completion of this first 48 hour operating period, and provided operation of the permanent station is satisfactory in all respects, commission the permanent station and decommission Mobile Unit 404.
3. No difficulties should be encountered in the changeover. Any interruption to or change in service should be avoided. Upon completion of the first 48 hour operating period make a brief dispatch report to HQ concerning the changeover.
4. Instructions regarding disposition of Mobile Unit 404 will be forwarded by separate letter in the near future.
