Served as ET2 - ET1 from Aug 68 to Aug 69 with ETC Lee Morris, Lt. Paul Potter and CWO Bill Greene. I'll never forget Ferguson (Fergie) and her sister Dang, the world best Chinese food at the Five Sisters (Oh! those spring rolls) and Kobe steak that we could all afford.

I was there with Dick Beers until he was relieved by Larry Olizewski. I miss the old 4x I drove. Probably the most reliable vehicle we had.. Some great memories.

Let me try this again. I'm attempting to see if there is sufficient interest in having a reunion next year in southern Florida for all former members assigned to Commander, Southeast Asia Section including Lorsta's Lampang, Sattahip, Con Son, Tan My, Udorn and the Section Office Staff. If you are interested, please contact me at MFagenbaum@ISCMiami.uscg.mil with a copy to User308107@aol.com

Well, my goodness. I was project engineer to build site in warehouse at CGSUPCEN BKYLN (31st & 3rd) then took it o'seas. Started off headed for DaNang, ended up at Udorn in August 66, served until June 67. Hello to anyone left. Bo Branch and I were in Gallatin around '72-'74 timeframe - saw pix of the satchel charge damage. interesting.
