OFCO No. 033-90

From: Commandant
To: Commander, Thirteenth Coast Guard District (d)
Via: Commander, Coast Guard Pacific Area (P)

Subj: OPERATING FACILITY CHANGE ORDER: ESTABLISH LORAN-C
STATION HAVRE, MONTANA

1. You are authorized to establish Loran-C transmitting station Havre, MT, as part of the Mid-Continent Loran-C Expansion Project. This station will be established upon satisfactory completion of construction (estimated 10 October 1990). This station is designated as the Master station of the North Central U. S. (NOCUS) Loran-C chain (rate 8290). This will be accomplished as part of the Federal Aviation Administration's (FAA) National Airspace System Plan.
2. Notify Commandant (G-NRN) with a copy to Commandant (G-CPA-2), Commandant (G-ELM), CG Institute, CG Supply Center Brooklyn, and CG Pay and Personnel Center of the actual completion date of establishing Loran-C Station Havre. Notification to the CG Institute must include a unit roster of personnel assigned to Loran-C Station Havre.
3. Loran-C Station Havre will be under the operational control of Commander, Pacific Area (Pt1), and the Coordinator of Chain Operations (COCO) of the North Central U. S. Loran-C chain. Loran-C Station Middletown, CA, shall assume watchstanding responsibility for Loran-C Station Havre using the installed Remote Operating System equipment. One ET2 and three ET3s will be assigned to Loran-C Station Middletown on 01 May 1990 to offset the additional work load imposed. The COCO for the North Central U. S. Loran-C chain shall, with concurrence of the Area Commander, issue operating instructions for Loran-C Station Havre. The Area Commander shall forward copies of all operating instructions to Commandant (G-NRN). Commander Pacific Area will coordinate overall operations for this station.
4. Commander, Pacific Area is designated the Regional Manager (RM), and Chain Manager (CM) of the North Central U. S. Loran-C chain. One LT billet will be assigned to COMPACAREA (Pt1) and
