I. Information

a. This Operations Order is derived from Commandant (OFU) letter to Com14CGD dated 3 February, 1953.

b. The KUKUI has been assigned by the Commandant to implement the construction phase of Fourteenth Coast Guard District loran installation program - 1953, which provides for the transportation of men and materials and the construction of three (3) loran transmitting stations to be established at:

- Batan Island, R. P. (ELMO 7)
- Catanduanes Island (Panay Island), R. P. (ELMO 8)
- Anguar Island, Palau Islands (ELMO 9)

For the sake of brevity, the aforesaid stations will be subsequently referred to herein as ELMO 7, ELMO 8, and ELMO 9, respectively.

c. Commander, 12th Coast Guard District has been requested by the Commandant to assume operational cognizance of the staging and unloading phases of ELMO 7 and ELMO 8 on board KUKUI at Coast Guard Supply Center, Alameda, and to arrange transportation of ELMO 9 to Guam, M. I.

d. The Commandant has obtained diplomatic clearance for the KUKUI to enter, base, and operate in territorial waters of the locations cited in paragraph (b) above.

e. Commander, 14th Coast Guard District will coordinate transportation of contractor personnel and equipment necessary for construction of ELMO 7, ELMO 8 and ELMO 9 in accordance with movements of KUKUI.
