I served 1974 - 1975. ET-2. I remember the new buildings and the swimming pool going in. I remember long watches in the timer room, and long afternoons diving on the reefs just off what passed for a beach. I remember taking our catch to a restaurant in the village to be cooked into a fresh caught meal. Mostly, I remember serving with some outstanding Coast Guardsmen. I remember names like Cates, Santee, Gray, Woody, Lacey, Green. I remember CO's Mink and Dillon. I remember the guys there being among the very best. I hope they've all prospered and remained happy and well these last 34 years. Good luck to those guys, and God bless them all.

Still living in Houston where I've been last 14 years. Busy working for El Paso Exploration & Production as EHS Manager. We chase oil and natural gas reserves. Travel mostly in the US and less frequently to Brazil and Egypt. Occassionally bump into some old CG mates and was able to attend the 30th memorial for the CGC Cuyahoga ceremony to see old classmates.
