Robert Harrigan: was my Dad, Bob Teal, ETC there with you at Ocean Cape? I served there myself in 64-65. I'll never forget the experience. Bob Teal

I was there from December 1964 to December 1965. We erected the new transmitter antenna. The highlight was the 9.3 earthquake. We evacuated the tribe to the abandoned FAA hangar, a couple of miles inland - expecting a tidal wave. I was nearly crushed by the big flywheel on the diesel generator when the quake threw me into the trench. Overall, it was a great experience for a 22 year old

Lorsta OC, the best of the few duty assignments I could have had.

What a great place for your first unit. Could not beat the fishing on the Situk River or the beachcombing. Made it back years later while stationed at Air Sta Sitka but the station was long gone. I have alot of great memories of Yakutat and the people I served with there.

Barry Lustig - Arrived in April/May as a SA, Left as a SN to Governors Island ET School, which I didn't make it thru, so I went to RM School which I loved. Was at Ocean Cape with Ken Takemura, Sam Giordano, 'Tommy' Thompson, Richard Scheidt, 2 cooks named Joe. CO was LTJG John L. Anderson. Mowed the 2 antenna fields which hadn't been done in years (5 ft tall grass & weeds), Stood watch with the ETs in the transmitter room overnights.
