

Commanding Officer
U. S. Coast Guard
Loran Transmitting Station
Sitkinak Island, Alaska

1301

1 April 1964

From: LTJG. LeRoy G. KRUMM (6547) USCG
To: Commandant (O)
Via: (1) LTJG. Jon D. KING (6833) USCG
(2) Commander, Seventeenth Coast Guard District

Subj: Relief of Command; Report of

Ref: (a) Section 7-1-25 A., CG-300

1. The requirements of reference (a) have been met. The following is a list of defects and peculiarities of this station:

- a. There are four pending Work Orders, two of which are near completion. The Work Orders have been explained to LTJG. KING.
- b. A Unit Allowance List has recently been received.
- c. The station experienced a severe earthquake on 27 March 1964, which did severe and extensive damage to the buildings, grounds, and equipment. A joint inspection has been made and the damage has been pointed out to LTJG. KING. An inspection has also been made by members of the staff of Commander, Seventeenth Coast Guard District.
- d. The two ton dump truck is inoperative awaiting a new transmission. The Case Crawler is inoperative awaiting a new hydraulic hose. The International Tractor is inoperative awaiting a new tire and tube. All the required above mentioned parts have been ordered and receipt is expected in the near future.

L. G. KRUMM
