Yes....I am definitely interested in a reunion. How can we make this work? Can we have the reunion party at the Whoopie House?

I was at Tan My 12/71 to 12/72. Gary Croshaw...you found me. Met some great friends, Gary, Rick Simms, Kurt Stilman, Fred Grosscup, Pankowski, Mike Moore, Craig Knutson. Lot's of stuff happened in 12 months. Has anyone thought about a face-face reunion?

Tan My, Udorn and the Section Office Staff. If you are interested, please contact me at MFagenbaum@ISCMiami.uscg.mil with a copy to User308107@aol.com

I'm a Tan My plankholder(69-70) looking for shipmates. Anybody else out there remember riding the outboard ferry back and forth from the hootches to the station every morning and night until we finished building it?

Stationed there 7/70 - 7/71, As HM1 recently was in contact with Cook Henry LYSY and have occasional written contact with SK Rick JAVIER had some pretty memorable times. Can't forget USO groups. Have pics of Philipino Show and Australian Show. CO's PARKER AND KENNEY. PARKER returned from NAM went aboard a ship in Florida did some drug bustin' and got himself and his wife murdered in their beds. Some say it was a drug hit. I never heard for sure. When I got back I saw AF Sgt Figueroa and was in contact with SSgt Pennington. Lost contact with both. Hope to hear from others. Retired ' 89 as CWO4(Med) with over 30 yrs.
